

# What is Worship?

We all know that we must worship Allah and Him only,  
but:

What is Worship?

Worship is:

To obey Allah completely,  
Doing what He loves  
And staying away from what He hates

Examples of Worship:

Praying

Fasting

Giving Zakah

Making Hajj

Seeking  
Knowledge

Fighting enemies  
of Islam

Saying good  
words

Visiting the Sick

The word for worship in Arabic is **عبادة** ('Ibadah)

Can you think of other examples of worship?  
(Remember: worship also means staying away  
from things that Allah has forbidden)
